## SCORES SOME POINTS.

Dreyfus' Counsel Destroys the Testimony of One Witness.

## WAS A WEAK STORY.

Esterhazy Did Not Respond When Called as a Witness, but Sent a Bundle of Papers—Gonze Replies to Esterhazy's Testimony.

Rennes, Aug. 23.—Maitre Labori, the leading counsel for the defense was present at court when the trial by court-martial of Captain Alfred Dreyfus was resumed this morning. As M. Labori was entering court he was informed by a newspaper man that General Roget had received documents from Major Count Esterhazy, who is now in London. He was much interested and gleaned all information possible. On the arrival at the court of General Roget it was noticed he carried a bulky envelope containing the documents referred to. Outside of this there was no incident worth noting at the opening proceedings.

The session began with the testimony of minor witnesses including Comptroller Roy and Major Drevill. The latter deposed that Dreyfus while on the general staff could have had access to unperceived documents during certain hours of the day. The prisoner replying, admitted he was present during those hours, but explained his presence was connected with his duties.

The fourth witness was M. Du Briel, and in describing himself as a private gentleman proved most entertaining, and moreover, gave M. Labori the first opportunity in making a few points in favor of Dreyfus. M. Du Briel told a gossip story of the meeting of Dreyfus at the house of an acquaintance, M. Bodson, in 1884 when Dreyfus was lieutenant and saw the latter in conversation with a man described to the witness as a German attaché. M. Labori took M. Du Briel in hand and beautifully ascertained that he only knew the visitor a German attaché, because he was told so and did not know whether he was a military or civil attaché. He did not even know his name. In fact, the whole story was of the flimsiest description.

When Dreyfus rose to reply to the witness, he spoke in a quiet, convincing voice, denying he had any relations with any German attaché, military or civil. M. Labori finished with M. du Briel by asking for a production of the records in the law courts, which the counsel hinted was discreditable.

The next witness was Captain Valiant, who testified seeing Maitre Le Blois in Colonel Picquart's office in the beginning of 1895, and Captain Le Rond of the artillery, who followed him, spoke of the notorious ignorance of Esterhazy of artillery matters, showing he could not have divulged what was promised in the bordereau. Captain Le Rond also deposed that Picquart in October, 1896, was connected with the Esterhazy espionage. Colonel Picquart confronted the witness and denied the allegation.

Esterhazy was called as the next witness, but there was no response and so the court ordered the reading of the evidence given before the court of cassation. When Esterhazy's deposition had been finished M. Labori asked that Esterhazy's letters to the president of the republic be read in which Esterhazy is said to have threatened, if the scandal continued, that his sovereign emperor would intervene.

General Gonze here asked to be allowed to respond to Esterhazy's testimony given before the court of cassation and declared in a loud voice that Esterhazy's statements was an absolute lie. The general traversed Esterhazy's statements and declaring that Esterhazy could only have had relations with Major Paty de Clam, and the late Lieutenant Colonel Henry. The general absolutely denied having had any relations with him.

Dreyfus' counsel asked that the dossier containing the documents relating to the inquiry into the relations of Esterhazy and Paty de Clam, instituted by Major Travernier in behalf of the military authorities, be communicated to a court and discussed. To this rule the government commissary, Major Carriere, replied that he had applied to the military authorities on the subject, but the request had been refused. Major Carriere added, that he hoped Paty de Clam would be able to come to court in a few days.

Labori then submitted to Gen. Gonze a number of searching questions as to Esterhazy's relations with the general staff. The general, as a result, became very excited, especially when asked if there was not intrigue in favor of Esterhazy, and if he did not take part in it. "It is false!" it is false!" shouted the general, and from his manner one would imagine he could not shout so sincerely

unless he is a fine actor. The general, however, was visibly disconcerted at several of M. Labori's questions. The witness' voice grew faint and it was scarcely audible. Finally, he was asked why Esterhazy had not been arrested after the inquiry, and General Gonze replied: "Because General Sausier deemed it proper to leave him at liberty."

"Yes," retorted M. Labori, "but Gen. Sausier must have been deceived by the general staff."

This abrupt declaration was accompanied by an expressive gesture in the counsel's best style and caused a sensation in court, amid which the general returned to his seat looking very ill at ease.

Major Gendrom who deposed Tuesday was recalled after General Gonze and supported the latter's statements.

General de Boisseffre then jumped to his feet and denied in the most forcible manner Esterhazy's statements, adding had he been present he would have given him the lie with all the contempt he deserved.

The court adjourned for the day at 11:40 a.m.

### Attempt to Kill a Child.

Galena, Kas., Aug. 23.—Charles Moore of this city has been arrested on the charge of what may yet prove a most brutal murder. Moore visited the home of his brother, Ike Moore, stole the latter's little 4-year-old son, and dashed him into Owl creek. He then fled. Cries of the little one attracted the attention of Mr. and Mrs. Will Rowell, who live near by, who rescued him and took him to a place of safety. The child is alive, but recovery is doubtful. The officers were notified and Moore was arrested and placed in jail. An angry mob gathered and threatened to lynch him. The police then hurried their prisoner to Empire City for safekeeping. Moore admits the crime and says jealousy was the cause.

### Killed Over Crap Games.

Russellville, Ky., Aug. 23.—At Parsons' camp ground, eight miles from here, a fight occurred in which two men were killed and four others wounded over a game of craps. The game was in progress out in the woods in which 15 or 20 men, most of whom were negroes, were engaged. A dispute arose and the shooting began. Some 25 or 30 shots were fired. John and Jay Sanders, both colored, were fatally shot, and four others more or less seriously wounded. Creek Perkins, colored, was killed during the progress of a crap game near Hopkinsville. Another negro whose name is Jake Williams, committed the crime.

### Ingersoll Left No Will.

New York, Aug. 23.—Mrs. Eva A. Ingersoll, widow of Colonel R. G. Ingersoll filed in the office of the surrogate of Westchester county a bond for \$20,000 as the administratrix of the estate of her husband. Mrs. Ingersoll swears that she has made diligent search for the will of her husband, but to the best of her knowledge and belief he died intestate. The value of his personal property is estimated by her at about \$10,000. At the time of his death he held no real property. The heirs to the property are Mrs. Ingersoll, the widow, Mrs. Eva R., the wife of Ralston H. Brown, and Miss Maude Ingersoll.

### Convention of Commissioners.

The total cash subscriptions for the relief fund now reaches \$45,340.

There are seventeen negro papers published in this state.

Don't worry about the editor, says an exchange. He has a charter from the state to act as a door-mat for the community. He will get the paper out somehow and stand up for you and the town. Don't worry about the editor, he'll come on. The Lord knows how—but somehow.—Huntsville Enterprise.

The Whitesboro News puts it thus: "Any town may build up by the united efforts of the business men, but these efforts must give good bargains and conveniences for the people who go to town to buy goods, and good roads to travel over in making the trip to and from town." Bryan has bargains and conveniences, but the roads need continued attention and improvement.

## HOLLIGAN SCHOOL HOUSE.

There has been considerable sickness here since my last letter. Among the sick are: Mrs. Alice Terry, Miss Bessie Thompson, Mr. D. B. Dehart, Sam Dehart, two of J. E. Bullock's children, and Miss Thompson.

There was preaching here Saturday and Sunday by Rev. Taylor of Madronville.

Revs. Post and Meredith and families and A. B. Carroll and family of Kurten, Mr. James of Madisonville, Mr. J. W. Barron and family of Bryan, attended preaching here Sunday.

There was a musical entertainment at the residence of Mr. and Mrs. T. A. Hensarling Friday night, the music being furnished by Will and Luther Holligan and Misses Bettie Gandy and Minnie Hensarling of this place, Mr. Eugene Shealey of Reliance and Mr. Kane Kelly of Bethel. They used a piano, two violins and two guitars, and rendered some fine music, which was very highly appreciated by all those who heard it.

The cotton crop is very short. It is the general opinion of the farmers that the crop is behind what it has been for years. I heard a farmer remark that on the land where he picked 11 bales last year he would not get over 6 bales this year.

Farmers are taking advantage of the favorable weather and are gathering what cotton there is open, very fast.

Mr. R. M. Nall and wife and son Roddie, Capt. J. J. Adams and wife and Mr. T. P. Boyett and wife passed here Monday en route to the river where they spent the day fishing, and we learn they had splendid success.

J. W. Davis returned from Grimes county Sunday.

## FUSION IN NEBRASKA.

Democrats, Populists and Silver Republicans Combine on a Ticket.

Omaha, Aug. 23.—Nebraska Democrats, Populists and Silver Republicans met in this city Tuesday afternoon and fused on nominations for judge of the supreme and two members on the board of regents of the state university. Ex-Gov. S. A. Holcomb was nominated for supreme justice by the Populists and endorsed by the other two conventions, though not without a fight in the Democratic gathering, where there was strong opposition to him emanating from Douglass county. This opposition centered on ex-United States Senator William V. Allen, who could have had a majority of the ballots in the convention but he pushed the proffered honor aside and supported his friend Holcomb.

Mr. Allen was chairman of the resolution committee in the Populist convention and W. J. Bryan was a delegate to the Democratic gathering. Bryan dictated the platform of the Democratic convention. This document declared uncompromisingly for free coinage of silver at the ratio of 16 to 1, indorsing bodily the Chicago platform of 1896 and declared against trusts and the holding of the Philippines.

The platform of the Populist convention endorsed the platform of the Populist national committee of 1896, and in addition contained planks denouncing the policy of the administration in the Philippines.

The platform of the Silver Republicans was much the same and contained in addition a strong plank declaring against the use of railway passes by public officers.

Mr. Bryan addressed all three conventions and was emphatic in his denunciation of the administration's policy in the Philippines. He also spoke vigorously in support of free coinage of silver.

For regents of the state university E. R. Rich of Omaha and J. L. Teelers of Lincoln were nominated, their names going through without any opposition.

## THIRTY LIVES LOST.

West Indian Hurricane Plays Havoc on the North Carolina Coast.

Norfolk, Va., Aug. 23. — Thirty-five shipwrecked seamen, who had nothing in the world but a few tattered and torn clothes on their backs, some injured and all miserable, arrived here Tuesday from Hatteras, N. C. From them it was learned that the recent hurricane that sent so many people to death and destroyed vast estates in Porto Rico, added another chapter to its horrors in a little stretch of beach from Kinnabot to Hatteras, N. C.

Thirty persons are known to have lost their lives in this district, which is only 18 miles long, and the beach is strewn with spars, masts and other wreckage. The sailors say that 11 vessels are ashore on the coast between Hatteras and New River inlet. No such damaging results has attended the storm in the past quarter of a century. Waves ran mountain high and the wind howled unceasingly for several days and nights at a 75-mile velocity. That no more lives were lost in the vicinity of Hatteras is considered by the survivors as nothing less than a miracle.

## Fugitive in Ardmore Jail.

Ardmore, I. T., Aug. 23.—The story sent out from Butler, Mo., that Freeman, charged with the murder of James Westbrook, was arrested at Shawnee, O. T., is a mistake. The arrest was made at Cheek by Deputy Marshal Lindsey and Sheriff Mudd, of Butler, Mo. Freeman will be taken to Missouri as soon as Judge Townsend issues requisition papers.

## Seriously Cut.

Hillsboro, Tex., Aug. 23.—Tom Barber, a negro musician, lately arrived here from Dallas, was stabbed nearly to death here. Barber was talking to a negro woman, when his assailant used his razor with telling effect on his victim's jaw, barely missing the jugular vein. The perpetrator escaped into the darkness, and no trace of him can be had.

## The Gonzales Tragedy.

Gonzales, Tex., Aug. 23.—Tom Booth is dead. He died at his residence from the effect of the five gunshot wounds received Monday evening in the difficulty which arose between him and J. D. Houston and George Houston. The latter is dangerously wounded.

## Gave Bond.

LaGrange, Aug. 23. — City Marshal John Riley, who shot and killed Tom Ratigan in Frank Mossig's saloon, Monday, waived examination before Justice Ledbetter and his bond fixed at \$600, which he gave and has resumed his duties as city marshal.

#### WHOLESALE ARRESTS.

Over Forty Negroes in Jail at Little Rock on Serious Charges.

Little Rock, Aug. 23.—Over 40 negroes are in the Pulaski county jail as a result of a concerted effort on the part of the authorities to run down the men who a few days ago committed assaults on five white women in this city.

Ed Wright was positively identified by Mrs. Kennedy as her assailant and was held to the grand jury without bail. Every precaution has been taken to prevent a lynching.

A large mass meeting of negroes was held here. The meeting was called by leading negroes, who are endeavoring to help run down and punish the guilty parties. They are opposed to lynching, but are anxious to see the guilty ones legally punished.

The wholesale arrests have aroused much excitement among another class of negroes. Dealers say their sales of arms and ammunition have been unprecedented, the majority of the sales being made to negroes.

Several of the raisers went to the southern part of the state to secure men to work in the harvest. The corn is ripe and must be cut, and there is not an available man to do the work.

## TRUTH IS KEPT BACK.

General Otis Revises Press Dispatches  
Sent Out From Manila.

## OUTLOOK NOT BRIGHT

Rebels Congregate at Many Places That  
Were Believed to Be in Ameri-  
can Hands—A Hard Fought  
Battle Won.

Manila, Aug. 19, via Hong Kong, Aug. 23.—The Filipino rebels appear to retain much more of a fighting spirit than might be expected after their recent San Fernando experiences and Gen. Lawton's drubbing in the south.

After giving up San Fernando with a feeble struggle they entrenched themselves at Angeles, working for several days and impressing noncombatants into the work, thus saving the armed men for the fighting. They engaged Lieutenant Colonel Smith's regiment and the artillery warmly for four hours, maintaining one of the most stubborn resistances of the campaign. But the Americans are indebted to the usual poor marksmanship of the Filipinos as well as to their own strategy for their small losses.

There have been several small fights near Balingag and Quinga in which the Americans won, but by no great odds.

In the brushes between the Filipinos and the Americans during three days the Americans lost several men, while the Filipinos' loss was heavy. Of these operations the Associated Press correspondent was permitted to send only an inadequate dispatch, dictated verbatim by Major General Otis. The censor writes stereotyped official phrases and adjectives into the dispatches tending to magnify the American operations and to minimize the opposition.

General Otis says newspapers are not public institutions, but private enterprises, and the correspondents are only here on sufferance.

All reports from the rebel territory agree that the scarcity of food is increasing and that the rebel commanders at Aparri and other points refuse to obey Aguinaldo in regard to closing the ports held by rebels against American ships and say that any ship bringing stores will be welcomed. Several ships from Manila are now at such ports.

**The Hooker a Total Loss.**  
Manila, Aug. 23.—The United States cable ship Hooker (formerly the Panama) which grounded in the north channel off Corregidor island, about a fortnight ago, will probably be knocked to pieces. A hundred miles of cable and some \$10,000 worth of instruments are on board the steamer. Fifty miles of cable have already been thrown overboard. The Hooker is grinding to pieces on the rocks.

**Color Line Drawn.**  
New York, Aug. 23.—That colored pupils may be excluded from schools where white children attend in this state, was established by a decision rendered by Justice Smith of the supreme court, in the case of Mrs. Cosco, a wealthy colored woman, who has been attempting for several months to compel the board of education of Queensborough, to admit her children in a school at Jamaica. Mrs. Cosco admitted that Jamaica has a school exclusively for colored children, but maintained that she had a right to send her son to any school in the borough she chose. The case was stubbornly contested and her application for a writ of mandamus was denied.

**Smallpox Situation.**  
Austin, Aug. 23.—State Health Officer Blunt has returned from Hearne, where he has been at work getting the smallpox under control. He reports 40 persons in the detention camp near Hearne, 12 of whom have smallpox and the others are suspects. He states a house to house investigation is being made and fumigation is done at each place and everybody is being vaccinated. By this method he hopes to stamp out the disease. The situation is not so serious as was first reported.

**Another Smallpox Case.**  
Bastrop, Tex., Aug. 23.—Dr. Cunningham reports a case of smallpox in the southeastern part of the county, at the home of Rose Small. colored. Nathan Womley came there with the disease. The premises are guarded.

**Vernon Fair.**  
Vernon, Tex., Aug. 23.—The third annual meeting of the Wilbarger County Fair association opens tomorrow, and promises to be the best and largest attendance of any former fair. The famous chief, Geronimo, with his Apache braves, are here, also Chief Quanah of the Comanches with about 600 of his tribe.

**Seriously Hurt.**  
Cleburne, Tex., Aug. 23.—Ben Banham, a carpenter, was seriously hurt by falling from a building a distance about 12 feet. His head struck a brick pier and he was rendered unconscious for some time.

**Emperor Shows Insanity.**  
Shanghai, Aug. 23.—The Shanghai Mercury publishes a communication from Peking to the effect that the emperor has developed symptoms of insanity.

**Appointed Clerk.**  
Austin, Aug. 23.—Clarence P. Dodge of Temple has been appointed clerk to State Purchasing Agent Adams and has arrived to enter upon his duties.

## DEVLIN WILL GO.

He Will Be Let Out as Editor of Democratic Literature.

Chicago, Aug. 23.—Senator Jones, chairman of the Democratic national committee, has closed the Devlin incident that disturbed the peace and harmony of the national committee at St. Louis last May and again at Chicago in June by ordering the removal of the press bureau to Washington and authorizing ex-Governor Stone of Missouri to select a new editor.

Devlin will be out just as soon as Mr. Stone can find the right man to succeed him. That will be within the next 10 days. It is reported that Sam B. Cook, chairman of the Missouri Democratic state central committee, may be the next editor of the bureau. Mr. Cook is general manager of the ways and means committee at the present. Ex-Congressman Henrichsen of Jacksonville, Ill., has been urged for the place by Illinois Democrats and he may receive the appointment.

## NEGROES ELECTROCUTED.

Two Killed, Two Seriously Shocked and Eighteen Suffer Considerably.

New Orleans, Aug. 23.—Two negroes were killed outright, two painfully burned and shocked and 18 others severely shocked while engaged in reconstruction of St. Charles avenue electric car line in this city. The men placed a rail against a pole charged with 500 volts of electricity, due to defective insulation. Two of the negroes fell across the rail and were instantly killed. A third fell across the rail but was dragged away with sticks and his life saved.

**Gored by a Bull.**

Guthrie, O. T., Aug. 23.—On the farm of O. Clevinger, in the northeastern part of this county, Mr. Clevinger and Emmet Brown, a hired man, were seriously injured in a battle with an enraged bull. Brown went into the yard to feed the animal and was thrown down and gored. When Clevinger arrived on the scene the animal had Brown pinned down with his horns. Clevinger attacked the bull with a pitchfork and was in turn thrown to the ground and held there, the animal's horns passing on each side of the neck and pinning him to the ground. Brown then attempted to drive the animal off and was again knocked down. Clevinger is recovering, but Brown will die.

## Tragedy Over Range Rights.

Chadron, Neb., Aug. 23.—Differences between shipmen and cattlemen over the right of range has caused another killing. George Coil shot Tom Ryan from his horse in Dawes county at the conclusion of a bitter quarrel. Coil was herding his father's sheep. Ryan was a cattle rancher and had driven several flocks from the same range by "bluffing" the herders with a gun. Coil surrendered and the flock owners will render him all the assistance possible. His father is a prominent citizen, politician and Mason.

## Colonel Van Valzah Back from Manila.

El Paso, Tex., Aug. 23.—Colonel and Mrs. David D. Vae Valzah have arrived from Manila. Colonel Van Valzah, a civil war veteran, was for years in command of the Eighteenth infantry here at Fort Bliss and has been in the Philippines many months. He was retired on account of age last June and is just returning home. His appearance indicates that he has seen hard service in the orient. He brought home many war trophies, including a rifle eight feet long and a spear.

## Beaten and Robbed.

Arcola, Ill., Aug. 23.—John Bensley, a farm hand, was held up and robbed by two unknown men while he was engaged in mowing weeds along the highway three miles southeast of this city. The robbers attacked Bensley, and after beating him unmercifully, rifled his pockets of all the money he had and made their escape. Bensley, covered with blood from head to foot, came to this city and notified the police, but the robbers have not been apprehended.

## Russians Panic Stricken.

St. Petersburg, Aug. 23.—Reports from southern Russia say the current belief of the approaching end of the world is causing a panic among the uneducated classes at Kabrkon, the capitol of the government of that name, and workmen are leaving in large numbers in order to spend what is considered their last days in their village homes.

## Elephants Becoming Extinct.

Paris, Aug. 23.—The elephant will soon be an extinct animal if measures are not taken at once to protect him from hunters of ivory. M. Eduard Foa, the scientist, has proposed to the directors of the world's fair that a congress of all nations be called next year here to make an agreement to protect the beast.

## Returns to Ireland to Die.
